

Ankur Agarwal

2nd Year undergraduate at IIIT Kota

I am a self-taught developer with a passion for learning and problem solving. I'm deeply passionate about exploring new technologies and building things that solve problems. I believe in teamwork and always look forward to connect with other like-minded people.

VOLUNTEERING

Being a part of Google Student Developers Club (GDSC) IIIT Kota, I organized an event on Open Source along with other team members.

Volunteered in a 5-day long MATLAB workshop in my college which was taken by Mr. Dhruv Chandel who is a Senior Engineer, the Education Team at Mathworks, and some of our college professors.
